Welcome to Australia & New Zealand

Dear Traveller,

We are delighted that you have chosen APT to show you around Australia and New Zealand. With over 85 years of touring experience, we know these countries intimately and can show you the highlights and hidden sights like no-one else can.

As you prepare to embark on your holiday, we know that you're likely to have a number of questions about what to expect on tour, what the climate will be like and what to take with you. To try to help with these questions and provide some additional touring information, we have compiled this Tour Hints booklet. It contains information on the varying conditions and climates that may be encountered, suggestions on what to pack and much more, including helpful information to assist overseas visitors travelling to Australia or New Zealand for the first time.

We trust you will enjoy your visit to Australia and/or New Zealand and we look forward to seeing you on another APT holiday.

Preparing for Your Tour

Travel Insurance

We highly recommend you obtain comprehensive medical and travel insurance to cover your time away from home, including: medical costs and personal accident, loss or damage to baggage, loss of traveller's cheques and credit cards (fraudulent misuse of stolen traveller's cheques or credit cards, cancellation and curtailment fees).

Passports & Visas

A valid passport is required for international travel. It is the responsibility of the traveller to secure the required visas before leaving home. Most countries insist that your passport be valid for at least six months after your date of return, so please make sure your passport is valid for this six-month period. You must carry a machine-readable passport, and have a valid return ticket. Always carry your passport and other travel documents in your hand luggage. Keep photocopies in a separate bag and leave a copy at home with family.

General Physical Fitness

Our tours are not physically demanding, however, due to the nature of many sites you will be visiting, some tours may not be appropriate for guests with certain medical conditions and physical restrictions. Walking tours are often on uneven ground and may include stairs as well as steep inclines. You should be able to stand on your feet for an extended period of time to visit attractions or when checking in for flights, Customs and Immigration. In the lead up to your tour, we recommend you try to walk for an hour at a time at least three times a week. This will ensure you have the stamina and energy to see the sights we will take you to on tour. You should also ensure your walking shoes fit and have been broken in prior to departure.

Children

We recommend that 12 years old is the minimum age for a coach tour. Children under 18 must be accompanied by an adult.

Allergies

If you have a food allergy or another condition that needs to be managed on tour, please advise your booking agent as soon as possible, as well as your Tour Director upon arrival, because most suppliers require advance notice to accommodate this. In some cases you might be asked to fill out a form or waiver.

Injury or Illness

If you suffer from a medical condition or require the availability of medical equipment, such as sleep apnoea machines, please check with your doctor and APT as to your suitability for the tour prior to travelling. To cope with minor illness and injury, there is a first-aid kit on board. In the case of more serious injury or illness, medical care can be obtained at main towns. Please advise your Tour Director of any medical conditions and any treatment that could be required in an emergency. In the event that you have to leave your tour because of illness, your return to the point of departure will be at your own expense and by your own arrangement.

Mobile Phones

Mobile phones are allowed on tour, however we ask that you respect your fellow passengers and consider whether you are disrupting their enjoyment of the tour while on the phone. Also please note that not all locations have mobile phone coverage with all service providers, we suggest that you contact your service provider for details on roaming and coverage prior to departure. And don't forget your phone charger and adaptor if needed.

Internet & Email Access

The internet is available in most hotels, either in the foyer and/or via in-room access ports for laptops, enabling you to send and receive emails and access social media sites. You can also access these through public internet cafes located in major centres.

Discover Rotorua's heritage

Preparing for Your Tour

Tipping

While it is acceptable to tip crew members for good service, it is not compulsory in Australia or New Zealand – it's always your choice. If you do choose to tip your Tour Director and Driver, the amount you give should reflect your degree of satisfaction with the services provided. As a guide, we would suggest \$5-\$8 per day for each crew member is a fair amount.

Traveller Feedback

As part of our commitment to providing quality touring experiences, we welcome and encourage your feedback. Towards the end of your tour, your Tour Director will provide you with a feedback form. Please take the time to answer the questions and make relevant comments, then return it to your Tour Director sealed in the envelope also provided. These sealed envelopes are sent to our head office. Every feedback form is read and a summary of each tour is given to all members of APT management. Where necessary, relevant action is taken to rectify any problems.

Travel Distances

Australia and New Zealand are countries with unique natural landscapes. The nature of the terrain can be fairly rugged in remote places, therefore travel distances can be quite long.

For comparison, the sizes of Australia and New Zealand are:

Australia	7,682,000 square km
New Zealand	269,000 square km
United Kingdom	244,000 square km
South Africa	1,221,000 square km
France	547,000 square km
USA	9,363,000 square km

Note: 1.61 km equals 1 mile.

How Far Do We Travel Each Day?

Some days you may travel more than 500 km (approximately 300 miles), other days much less. Naturally, when we are driving on paved roads, we are able to travel greater distances. On unsealed roads, the going can be rough and less distance is covered. Some days of course, we don't even travel 100 km (approximately 60 miles), particularly if we are just sightseeing in and around town.

Seat Rotation

To ensure everyone gets to enjoy front and window seats, a daily seat rotation system will be employed.

Smoking

Due to government regulations, smoking is not permitted on aircraft or tourist coaches. Smokers will find the frequent stops we make provide time to smoke. Most hotels in Australia and New Zealand no longer offer smoking rooms.

Consumption of Alcohol

Consumption of alcohol on board coaches is prohibited.

Visit beautiful Lake Tekapo

See Lake Tekapo and the Church of the Good Shepherd

A memorable holiday awaits, thanks to luxury coaches and our dedicated crew

General Information

Australia's Climate

Australia's seasons are the opposite of the northern hemisphere. The northern one-third of the country is tropical, while the southern regions are temperate. Due to Australia's size, summer and winter climates vary from area to area, but this means there is always a region where the climate is ideal. Due to these wide variations in weather, itineraries may be altered to suit the conditions.

Summer (December to February) – Australia is warm to hot, with occasional thunderstorms in the north. We recommend light clothes and loose natural fibres, which are good for humid tropical regions.

Winter (June to August) – southern winters are cool and inland nights are cold. We suggest medium-weight woollens, a coat and raincoat. In the north, it will be warm and dry but cool at night.

New Zealand's Climate

New Zealand's seasons are also the opposite of the northern hemisphere, with January and February the warmest months and July the coldest. The climate is temperate, ranging from averages of 10°C (50°F) in July to 26°C (79°F) in January.

In New Zealand the climate varies from the North Island to the South Island. The mean average rainfall also varies widely from less than 400 mm (16 inches) in Central Otago to over 12,000 mm (480 inches) in the Southern Alps. Due to these wide variations in weather, itineraries may be altered to suit conditions.

Summer (December to February) – the summers are warm to hot. For most of the North Island and the northern part of the South Island, summer is the driest season. Be prepared for occasional rain and wind in the lower South Island.

Winter (June to August) – the winters are cool with snow in many areas, particularly on the South Island, and nights are cold. For the west coast and inland south of the South Island, winter's the driest season.

Your Coach & Crew

Tour Director & Driver

Your Tour Director and Driver are both highly trained industry professionals, committed to making your holiday memorable. Their informed and entertaining commentary will showcase their passion for and knowledge of the area and, backed by our dedicated support staff, their organisational skills will ensure that your trip is truly hassle-free. From the moment you join the tour, nothing is too much trouble. They are on hand to ensure your comfort, take care of all arrangements and answer any queries.

Touring Coaches

APT's modern coaches provide you with the ultimate in touring luxury. As standard they feature: seat belts, air-conditioning with individual controls, a toilet/restroom, a video screen, reclining seats with foot rests, phone communication extending to the Royal Flying Doctor Service (Australia only), drinking water, panoramic windows and plenty of room so that you are comfortable throughout your journey.

Enjoy the services of an APT Tour Director

Be sure to follow rules for flights at the airport

Stay in Auckland, the 'City of Sails'

At the Airport

Reconfirmation of Flights

We suggest that you contact your airline(s) or travel agent at least 72 hours before your initial flight, to confirm your departure details.

Luggage Restrictions

Checked Luggage

Air carriers may impose fees or require you to remove articles if weight or size limits are exceeded. We advise you to contact your air carrier or travel agent for specific information prior to departure, as size and weight limitations may vary. Also see the 'Packing for your Holiday' section on page 14 for further recommendations on baggage limits. Portage for one suitcase on tour is included in the tour price.

Luggage Security

Passengers should make sure that they do not include anything of high value (personal or financial value) within their luggage. This includes, but is not limited to jewellery, cameras, video equipment, reading/sunglasses, laptops or other computer/electronic equipment, medication (especially chronic medication) etc. Passengers must ensure that all checked luggage has a suitable lock to attach to their bag.

Luggage Tags

We supply luggage tags for you to fill out and attach to your suitcase. It is also a very good idea to put a label with your name, address and telephone number on the inside of your suitcase and hand luggage. For security reasons keep all unchecked luggage in your immediate possession. Luggage left unattended can be confiscated by airport personnel.

Lost/Delayed Luggage

Sometimes luggage is delayed during air transit. It is recommended to take a change of clothing and any essential medication in your hand luggage, or pack some clothing in your travel companion's bag. Place a copy of the hotel contacts inside each piece of luggage. If your luggage is lost, this will help the airline to find you. Should your luggage be delayed, it is the responsibility of the airline to deliver it to you. Claims for reimbursement should be submitted directly to the airline – a claim form should be filled out at the appropriate airline desk upon arrival. If you need assistance in contacting the airlines for information regarding your delayed luggage, please ask your Tour Director.

Airport & Airline Security

It is important that you arrive at the airport at least two hours before domestic flights and three hours before international flights. This allows time to check in luggage, present your passport and ticket, and find your allocated seats and boarding area. Sharp objects and liquids should be stored inside the luggage you are checking in. If kept in your hand luggage, they are likely to be confiscated. You will need to check with your travel agent or the airline for the rules on what you can and cannot take with you on board. Be aware that you may be required to put your shoes and belts through x-ray checks, so be prepared to remove them.

Discover stunning Milford Sound

Explore Freycinet National Park

Visit Tasmania's Port Arthur Historic Site

Customs

To prevent the introduction of exotic pests and diseases on your return home, arriving travellers are screened and luggage is often inspected or x-rayed by Customs or Quarantine officers. All food and other such items of plant and/or animal origin need to be declared, as do items on which duty or tax might be payable (check with Customs about the duty free concession). For more information, visit www.customs.gov.au or www.customs.govt.nz

Late or Missed Flights

In the unfortunate event that you miss a flight completely, please immediately advise the airline representative that you are a tour passenger bound for a specific location, as well as the date and time to join your tour or to check into a pre-tour hotel. Also, contact your booking agent with any new flight information as this may need to be given to APT.

Comfort & Avoiding Jetlag

- Wear loose clothes and comfortable shoes during your flight
- Try to hydrate yourself constantly with water (avoid caffeine, alcohol and carbonated drinks, and eat light)
- Alleviate pressure in your ears by chewing gum, yawning, swallowing or gently blowing your nose
- If possible, try to walk up and down the aisle to stretch out your limbs and get blood circulating. You could also do a few isometric exercises while seated
- If you arrive in the morning, try to sleep during your flight so you can stay awake until the evening
- Avoid wearing contact lenses during your flight because aircraft cabin air tends to dry them out

Arrival & Departure Information

Airport Transfers

Airport transfers are included on the first and last day of the tour; or if pre and post accommodation is booked with APT. No refund will be given for unused transfers. Transfers cannot be re-routed to other pick-up points or destinations. Passengers who miss the pre-booked transfers must make their own way to/from the airport, train station or hotel at their own expense. Transfers must be booked and arrival and departure details advised to APT at least 60 days prior to travel, otherwise transfers cannot be guaranteed.

Hotel Information

Arrival

The official check-in time at hotels is 2 pm local time but, where possible, the hotel will try and have your room available earlier. If your flight arrives before this time, luggage can be stored at the hotel before check-in and will often be delivered to your room later. If you arrive very early in the morning, for example 5 am, and want to have guaranteed access to your room, booking an additional night of accommodation is recommended.

Departure

Normal check-out times vary, but are usually at 10 am. If you have a late afternoon or evening flight, most hotels have a luggage room where you can store luggage until your departure.

Enjoy a stay at The Hermitage, Mt Cook

Pack items in a plastic resealable bag

Pack bottles over 100 ml containing liquids, gels or aerosols in your checked luggage

Packing for Your Holiday

What Should I Wear?

Naturally this depends on personal preferences, however, it is recommended that you take into account the time of year you are travelling and bring a variety of warm and cool clothing to suit the climate. Pack sufficient lightweight, comfortable clothing and ensure you have appropriate footwear. Drip-dry clothing is easy to launder and does not require ironing.

Most people dress casually on tour, however, if heading into town for a night, you might want to wear something a little more dressy. At casinos, dress regulations are generally neat casual attire, no jeans, cords or denim allowed. Ties are not required, but neat open-neck shirts are requested for gentlemen along with enclosed shoes (athletic shoes are not permitted).

Luggage Requirements

We ask that you pack your required items into ONE suitcase, which is to weigh no more than 20 kg (44 lbs) and measure (length + width + depth) no more than 160 cm (63 inches).

Please check your suitcase does not exceed these requirements for your own convenience and enjoyment of the tour. Stringent regulations controlling vehicle weight, and our vehicles' limited luggage capacity, both restrict our ability to accept excess or overweight items.

Due to Occupational Health and Safety regulations, portage cannot be provided for oversized, overweight or excess pieces of luggage, so pack carefully. On extended tours of seven days or longer, an APT travel bag will be provided to use as a carry-on bag if you wish.

If you have excess luggage, arrangements should be made to forward it to the tour's final destination, prior to arrival at your departure point. For our APT Tours, we provide an on-tour baggage service for ONE standard suitcase per person.

Rules for Liquids, Aerosols & Gels on International Flights

Rules Effective

There are strict rules for taking liquids, aerosols and gels onto international flights. These rules are to protect you from the threat of liquid explosives. The following is based on a leaflet: 'Your Guide – new rules for taking liquids, aerosols and gels through security onto international flights'. These rules concern flights coming into and departing Australia and New Zealand. We advise you to check with your airline for clarification of regulations before you leave.

An Overview

Each container of liquids, aerosols or gels in your carry-on luggage must be 100 ml or less. All must be sealed in a transparent, 1 litre (or less) resealable plastic bag. You may still carry through the screening point prescription medicines and non-prescription medicines that you need for the flight. Proof of need may be required. You will have to surrender any liquids, aerosols or gels greater than 100 ml that you are carrying at the screening point. This includes duty free items (at many airports, you are able to purchase duty free items after you have passed through the screening point for your international flight).

What Are Liquids, Aerosols & Gels?

Items allowed include empty containers such as mugs or flasks; cosmetics and toiletries including talcum powder, contact lenses and lens solution; solid foods; medicines including prescribed medication (eg. insulin) and essential non-prescribed medication.

Items over 100 ml not allowed include drinks in cans, bottles and so on; liquid cosmetics and toiletries that are in liquid or gel form, such as perfumes, creams and all products in pressurised containers such as hairspray, shaving foam or gel, and aerosol deodorants; liquid-based food products in packets, tubes, plastic or tin.

See the beautiful Russell Falls

Admire the remarkable geothermal sites of Rotorua

International Visitors

Currency

Australian and New Zealand currency is decimal with the dollar being the basic unit (100 cents equalling one dollar). Notes come in \$100, \$50, \$20, \$10 and \$5 denominations. Coins are minted in \$2, \$1, 50c, 20c, 10c and 5c denominations.

Quarantine Regulations

Strict quarantine regulations apply. Trained detector (sniffer) dogs work at all domestic and international airports around both countries.

Travelling interstate, you may not transport fruit, vegetables, fresh flowers, plants or cuttings. Occasionally, additional specific items will be targeted during disease outbreaks. International visitors arriving in Australia or New Zealand are advised to declare all food (fresh, tinned or packaged), animal and plant material or their derivatives, drugs (medication) and medicines (therapeutic, herbal and vitamins). Declaring goods does not necessarily mean your luggage will be examined. Penalties for not declaring prohibited or restricted items are severe. For more information contact:

Australian Customs Service, Canberra: ph +612 6275 6666
Australian Quarantine and Inspection Service:
ph +61 2 6272 3933; www.daff.gov.au/aqis;
Quarantine Enquiries NZ: Ph +64 4 894 0100; www.mpi.govt.nz

Driving

All vehicles are right-hand drive, and drive on the left side of the road. Giving way (yielding) to the right applies. Wearing seat belts is mandatory. If you plan to hire a car, or drive, make sure you have your international or current hometown driver's licence with you.

Electricity

The electrical current in Australia and New Zealand is 240/250 volts, AC50HZ. Three-pin power points are the standard, so you may need to bring an adaptor or voltage converter.

Time Zones

Australia – The standard time is 10 hours ahead of Coordinated Universal Time (UTC), commonly referred to as Eastern Standard Time (EST). Queensland, New South Wales, Victoria and Tasmania run to EST. South Australia and Northern Territory are half an hour behind EST, and Western Australia is two hours behind EST.

Between October and March, daylight savings is observed by New South Wales, Victoria, Tasmania and South Australia only. Clocks are put forward by one hour at the start of October and then returned to EST at the end of March or the start of April.

New Zealand – The standard time is 12 hours ahead of UTC. Both the North and South Islands share the same time zone.

Banking

Banking hours are generally Monday to Thursday, 9.30 am – 4 pm and Friday, 9.30 am – 5 pm. Some branches in major centres are now also open for limited hours on Saturdays.

Money can also be accessed through Automatic Teller Machines (ATMs) with Visa, Mastercard, Maestro or Cirrus. Usage in country areas may be restricted and banking facilities can be limited. The best way to carry money is with a credit card. Commonly accepted credit cards are American Express, Visa, Mastercard and Diners Club. Travellers cheques are widely accepted and most places will cash them if in the national currency, although some places may charge a fee. International currency travellers cheques are difficult to change in non-major centres.

Enjoy views of the harbour at the Hotel Grand Chancellor in Hobart

Stay in the delightful Te Waonui Forest Retreat

Accommodation Information

Your accommodation is one of the most important elements of your holiday. This is why we have carefully chosen the best hotels on offer to tour groups, to complement your level of touring.

We are proud to provide superior accommodation with the highest levels of comfort, service and cuisine available.

You will enjoy ample time to experience each spectacular region you visit. If you would rather ground floor or neighbouring rooms, or a room near the main hotel facilities, please advise us as early as possible prior to commencing your tour so we can try to fulfil your request. In the more remote locations, hotel standards may vary, but we always provide the best accommodation available.

Facilities in Your Room

Beds – Twin-bedded accommodation usually comprises two single beds, although some hotels present twin share accommodation as one double bed and one single bed. A double room comprises one double bed designed for two people to share. Triple rooms comprise one double bed and one single or roll-away bed.

Shower/Bath/Ensuite – All APT accommodation will feature private facilities. Your bathroom will always have a shower, toilet, hand basin, towels and soap. Most have hair dryers too.

Television/Radio/Telephone – Most rooms will have a television, radio and telephone. However, in-room telephones can be expensive and most hotels have public phones available. Again, in a few remote areas, these room facilities may not be available.

Mini Bars/Refrigerators – Hotels used on APT tours feature a small refrigerator in the room. On many occasions, rooms feature a mini bar. This facility operates on an honesty system whereby you pay prior to departure for any drinks or snacks consumed. Please remember that these items can be expensive.

Tea/Coffee-Making – Your accommodation will provide free tea and coffee-making facilities in your room.

Laundry/Ironing Facilities – You will not find it necessary to bring a lot of luggage on tour as most of the hotels utilised offer free or coin-operated laundry facilities. Ironing facilities are also available either in the hotel laundry or supplied in your room.

No Luggage Worries – Portage is taken care of by your APT Tour Director and Driver who will look after the efficient and safe handling of your luggage at all hotels, as long as your luggage conforms to size and weight requirements.

Solo Travellers

If you're travelling alone and advised us when booking that you are happy to share a room with another traveller of the same gender, we will match you with another solo traveller and you won't pay a solo supplement. If we were unable to find you a room-mate, you will be provided with a single room of your own at no extra charge. Note that if you've chosen to share a room you understand that compatibility with your room-mate cannot be guaranteed.

If you requested your own room when booking, we will have arranged this and notified you of the additional cost charged by the hotel. If you would like a room to yourself and have not advised us already, please contact us as soon as possible prior to the commencement of your tour.

Special Requirements

If you have special requirements such as a preference for adjoining rooms, double beds or ground floor access and have not advised us, please contact us as soon as possible.

Enjoy casual but attentive service

Perhaps experience the Tasman Glacier terminal lake up close

Dining Information

Exceptional Dining Experiences

The cuisine you'll enjoy on your APT tour is above and beyond the standard meals you'd expect on coach tours anywhere in the world. In fact, many dining events will be memorable holiday experiences. We pay careful attention to the negotiation of our menus to ensure choice and a healthy variety of quality food catering to all tastes is offered. Meals are always accompanied by tea and coffee.

As a special highlight, you may have a feature meal included in your tour, featuring tastes known as a speciality of that region. Meals included in your tour price are clearly indicated on your itinerary.

Restaurants are available in all hotels in which you stay on an APT tour. The restaurants are fully licensed, so you can purchase alcoholic beverages to enjoy with your meal.

Breakfasts are generally buffet-style, comprising cereals, fruit juices, cooked dishes (eggs, bacon, sausages, etc.), toast and jams.

Lunches are scheduled with specific stops to allow you to purchase whatever lunch best suits you. As indicated on your itinerary, we occasionally include feature lunches.

Dinners are at least three-course meals with multiple-choice entrées (appetisers), main courses and dessert. Some dinners are à la carte and several are buffet-style, offering a wide selection of quality food. Dinner settings can vary from hotel restaurants to outdoor BBQs.

Dietary requests will always be taken into consideration and fulfilled where possible but cannot be guaranteed. The wide selection of menus and choice of dishes available at hotels will help in meeting any special dietary requests. If dietary requirements are strict, please check with your booking agent or APT concerning catering. You may have to carry a small supply of the necessary food (that does not require refrigeration). If you have special dietary requirements, please contact us as soon as possible.

Freedom to Choose

Freedom of Choice™ Sightseeing Inclusions and Dining are uniquely available on all APT Tours.

Freedom of Choice™ Sightseeing Inclusions

With APT's Freedom of Choice™ Sightseeing Inclusions, your tour takes in all the prominent attractions of a region then, in feature locations, you can choose the touring option that suits you best. In short, it means that your holiday is just that, your very own.

Freedom of Choice™ Sightseeing Inclusions vary from region to region and include activities such as sightseeing tours, nature walks, cruises and more. Further details are contained within our brochures and your Tour Director will also advise you about what is on offer and make all necessary arrangements on your behalf.

Freedom of Choice™ Dining

APT's Freedom of Choice™ Dining concept means that some evenings you have the choice of where to dine. For instance, you may choose to dine at a country farm or in a venue with amazing harbour views and you'll enjoy a variety of cuisines wherever you go. Every menu or buffet offers a delicious selection of dishes to tantalise your tastebuds.

Taste the fresh flavours of New Zealand
